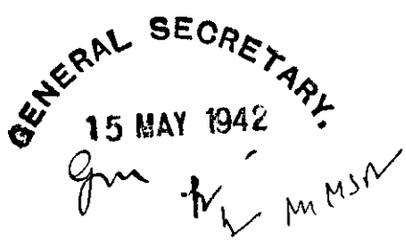
Sir,



Subject:- Military Camping Ground - open lands on the Madras road near the C & M Station Epidemic Hospital between the 4th and 5th mile - permission for the use of -

I have the honour to state that it is reported by the Civil Officer, Bangalore, that certain open lands on the Madras road near the C & M Station Epidemic Hospital between the 4th and 5th mile, have been selected by the Military Officer stationed at "Boaulieu" for the Camping of certain Military Units coming to Bangalore. The lands have been inspected by the Civil Officer in company with the Military Officer and a Medical Officer. They are private lands (all dry) in the holding of the ryots of Byappana halli and Suddakuntepalya of Bangalore South Taluk.

2. The Military Officer has been intimated that permission of Government has to be obtained for occupation and that crop compensation at the rates to be fixed will also have to be paid.

Sir,

I have the honour to report that Major P.S. Kannedy, D.A., Q.M.G., H.Q. 20 stationed in "Boaulieu," Bangalore, came to me on 9-5-1942 and said that certain open lands in Madras Road near the C & M Station Epidemic Hospital, between mile 4 and 5, have been selected for the camping of certain Military Units coming to Bangalore. He also wanted me to see the lands. I accordingly went to the place with him and with a Medical Officer and ascertained that they were all private hiduvali lands (all dry) belonging to the ryots of Byappanahalli and Suddakuntepalya. I told them that they should first obtain the permission of the Mysore Government through the Residency and in case they are permitted the use of these lands, crop compensation at the rates to be fixed by the higher authorities should also be paid. They have agreed to make a reference as suggested above.

I have brought this to your kind notice and beg to add that such hurried requisitions are becoming too many of late.

I have the honour to be,
Sir,

Secretary to the Government of Mysore,

Sir,

Subject:- Military Camping ground - open lands on the Madras road near the Civil and Military Station Epidemic Diseases Hospital - unauthorised occupation by the military - complaint of Mr. B.M. Munisamappa, Jodidar, Byappanahalli.

In continuation of my letter of even number dated 14th May 1942 making a report regarding grant of permission for the use of certain open lands in Byappanahalli near the C & M Station Epidemic Diseases Hospital by the military authorities, I have the honour to state that one Mr. B.M. Munisamappa, Jodidar, Byappanahalli village, has complained to the Civil Officer that the military authorities have unauthorisedly occupied his lands in the villages of Byappanahalli, Benniganahalli and Binnamangala Manavarthe Kaval in Bangalore South Taluk and have destroyed all mango and other fruits which had been leased out for Rs.300/-. He further complains that trenches have been cut, casurina plants have been destroyed and damage has been done to the stock of manure worth Rs.1000/-. He has claimed suitable compensation for the loss sustained by him.

2. The Civil Officer has brought these facts to the notice of the military authorities. A copy of his letter No.B1-1897/41-42 dated 16-5-1942 addressed to the Station Staff Officer, Bangalore, together with a copy of Mr. Muniswamappa's petition to the Civil Officer are enclosed for favour of reference.

3. Regarding the damages and compensation claimed by the owner of the land, separate action will be taken

Letter from Mr. B.M. Munisamappa, Jodidar, Byapanahalli village, dated, Bangalore, 16th May 1942, to the Sub Division Officer and Civil Officer, Bangalore.

-- -- --

I beg to bring to your notice that since 3 days, the military authorities have occupied my garden and dry lands at Byapanahalli village, Benniganahalli village and Binnamangala Manavartha Kaval in Krishnarajapur Hobli, Bangalore Taluk. The Military authorities have occupied my lands without any permission and consent. Moreover, the Government of Mysore have not issued me any orders to vacate and delivery possession to the Military Department. The military soldiers have entered my garden and destroyed all the mango and other fruits which has already been leased out for Rs.300/- and they have been cutting and destroying the casurina plants.

Trenches have been commenced and the lands have been dug up where I have stocked manure worth Rs.1,000/- on my lands for my agricultural purposes.

These are the days to just begin agricultural operations and I have been prohibited by them from ploughing the lands and thus the Military Departmental authorities have occupied my lands without even telling me, about their plan of action. Thus, I have been put to serious loss and injury.

I have mentioned all these to your Honour to have come up with my written representation for your personal inspection and to do me justice in the matter of securing me compensation for loss and damages resulted to me.

I, therefore, pray that you will kindly visit the spot as assured by your honour in my interview I had with your goodself and see that I am made good of the loss and injury resulted to me and take such action as you deem fit in the circumstances of my case.

Thanking you, Sir,

-- --

I have the honour to state that Major Kennedy of 20th Division quartered in "Beaulieu" came to me on the 9th instant (perhaps under your instructions) and showed me open lands referred to above, which he said were required for the Camping of certain Military units coming to Bangalore. On enquiry at the spot, they were found to be agricultural lands belonging to private individuals. He was intimated that permission of Government should be obtained for their occupation and that crop compensation at the rates to be fixed was also to be paid to the owners of the lands. Major Kennedy promised to do so. But no reference has been received till now through the usual official channel.

In the meantime, the units seem to have occupied the area causing also damages to the mango grove closeby which was not included in Major Kennedys request, as could be seen from the enclosed copy of complaint petition of one Mr. B.M. Munisamappa, the owner of the mango grove and the lands. I have therefore brought the above facts to your kind notice for favour of necessary immediate action -- under intimation to this office.

GENERAL SECRETARIAT 1942

Subject:- Military Camping-ground - open lands on the Madras road near the C & M Station, Epidemic Diseases Hospital - unauthorised occupation by the Military - compensation claimed by Mr. B.M. Muniswamappa- -- --

In continuation of this office letter of even number dated 25th May 1942 on the above subject, I have the honour to state that the lands referred to above were inspected by the Civil Officer in company with the Military Officer on 22-5-1942. It was ascertained that there were no mango fruits in one garden and in the other grove, one Sattar Khan had removed 1500 fruits. He had taken the lease of the trees for Rs.30/- only and not for Rs.300/- as alleged by Mr. Muniswamappa. There were no traces of damage to casurina trees.

2. The Military authorities have permitted Mr. Muniswamappa to remove the manure heaps which were intact, in about 3 days' time. He has been asked to see the Garrison Engineer, Bangalore, to conclude the lease of land in question.

3. A copy of endorsement No.B1-1897/41-42 dated 23-5-1942 issued to Mr. Munisamappa by the Civil Officer, Bangalore, is enclosed for favour of reference.

Endorsement No.B1-1397/41-42 dated 23-5-1942 granted to Mr. Muniswamappa, by the Civil Officer and Sub Division Officer, Bangalore.

-- --

With reference to his petition dated 20-5-1942, Mr. B.M. Munisamappa of Byrenahalli village, Bangalore South Taluk, is informed as follows:

The lands under occupation by the Military and the Mango groves were inspected by the undersigned with Major Kennedy of 20 Ind. Div. Yesterday (22-5-1942). It was ascertained that there were no mango fruits in one garden and that no military men removed any fruits therefrom. In the 2nd grove, a man named Sattar Khan, perhaps of Koramangala village was removing about 1500 fruits from the trees. He said he had taken the lease of the trees for Rs.30/- only as most of the trees did not bear fruits this year and that this garden belonged to one Anniyappa of Byrappanahalli. There were no traces of any casurina or other variety having been destroyed by the Military men.

As regards the manure heaps, all of them are still in tract and Mr. Munisappppa may remove them in about 3 days time and the Military Officers have been instructed to allow him to do so.

The matter had been referred to the Station Staff Officer and a reply has been received from him in his memo No. 157/2/4 Q. dated 20-5-1942 that Mr. Munisamappa may see the Garrison Engineer, Bangalore, who will conclude the lease of land in question and for payment of rent by that officer.

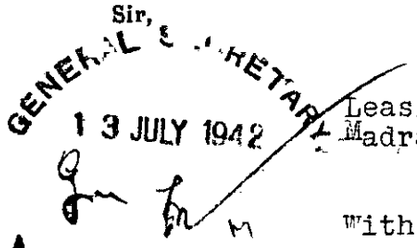
Sir,



Leasing of lands for H.O-20.Ind.Division on the Madras road - Claim for compensation for -

With reference to correspondence ending with your memo No.G.12810/Mly.351-41-11 dated 4th June 1942 on the above subject, I have the honour to state that the Civil Officer, Bangalore, has investigated the claims in presence of the concerned owners of lands and has submitted a statement (herein enclosed) showing the compensation payable in respect of the several lands taken up by the Military authorities along the Madras Road.

2. The claims of Messrs.B.M.Muniswamappa and Syed Hyder Sab of Byapanahalli for alleged damage to their mango gardens were enquired into and found to be untenable. The Civil Officer has issued them endorsements stating that their claims cannot be sustained.

3. An extent of 3 acres and 4 guntas are in Byapanahalli and 17 acres and 11 gunttas in Binnamangala Manvartekaval are covered with casurina. Compensation of Rs.103-12-0 is claimed in respect of the former. With regard to the latter, it is reported that there are young casurina plants of about 2 years old on an extent of about 15 acres and 11 guntas. These have not come up well. Compensation of Rs.477-8-0 is claimed for these plants at one anna per plant. The trees on the remaining extent of 2 acres are at present allowed to stand as they are. If they are interfered with compensation to an extent of Rs.30 /- has to be paid at annas three per tree. The total compensation claimed in respect of the areas covered with casurina thus comes to Rs 881-4-0 recurring.

recurring.

4. Compensation of Rs.2361-4-0 is claimed in respect of an extent of 94 acres and 18 guntas of agricultural lands in Bypanahalli at Rs.25/- per acre in consideration of the fact that the ryots had already carted manure at the time of the occupation of the lands. This claim is recurring and has to be paid for the year 1942-43.

5. Besides these lands, an extent of 11 acres and 38 guntas in Binnamangala Manvarthekaval, not shown in the sketch, is being used by the 20th Division for Drill and other Military purposes and the owners are not allowed to cultivate the area. Compensation of Rs.200/- in round figures will have to be paid to the owners of these lands

6 The total compensation thus claimed amounts to Rs.3542-4-0 and I request that arrangements may kindly be made for early payment of the amount.

SUBJECT:- Leasing of lands in the Mysore State for H.Q. 20 Ind. Division in the Madras Road.

******

With reference to your Memo No.M.4-6230/41-42 dated 8th June, 1942, on the above subject, I have the honour to state as follows :-

2. The lands occupied by the 20th Division, belong to several persons on either side of the Madras Road from the 4th mile stone.

3. In the first instance, Mr.B.M.Munisamappa made a loud complain that his mango gardens were over-run by the Military people in their first rush to the place and damages to the extent of Rs.300/- were caused to him. On enquiry by me and Major Kennedy of the 20th Division at the spot on 22-5-1942, this was found to be untrue. I have already issued an endorsement to the said Mr.B.M.Munisamappa and submitted a copy of it to you also with my Memo No.B.1-1897-41/42 dated 23-5-1942.

4. Again one Syed Hyder Sab of Byappanahalli alleging himself to be the lessee under Mr.B.M.Munisamappa in respect of the same mango gardens started agitation for compensation of a bigger amount approaching Rs. 564/-. He has also been given an endorsement that we have nothing to do with his alleged claims which were found to be baseless so long back as 22-5-1942, and that no further notice would be taken of his petitions or notices if any in the future. This disposes of the claim for mango or other fruit crops. Copy of the endorsement is enclosed.

5. Regarding the other lands actually under Military occupation, a detailed enquiry was held by me on 26-6-1942 at the place when almost

p.t.o.

all the concerned land owners were present. These lands consist of dry agricultural areas as well as casurina plantations. Casurina is planted in about 17 acres 11 guntas in S.No.4/1 of Binnimangala Manavarthekaval belonging to the Bishop of Mysore. There are young casurina plants of about 2 years old in about 15 acres 11 guntas and they have not come up well. It may be safely taken that there are 500 plants in each acre and calculating the value at one anna per plant the compensation comes to Rs.477-8-0. In the remaining extent of 2 acres, the trees are of 3 years old and are in a fairly good condition. These trees are at present allowed to remain as they are. If they are interfered with, compensation has to be paid to an extent of Rs.300/- at annas 2/- per tree to the Bishop.

6. The remaining area agricultural lands with sprinkling of casurina measuring 3 acres 4 guntas in the limits of Byappanahally. The owners who had also carted manure at the time of the occupation expect a crop compensation a t Rs.100/- per acre. But, considering all aspects and the lower rate already paid elsewhere, a crop compensation at the rate of Rs.25/- per acre seems to meet the situation. These are the lands shown in the sketch furnished by the Military authorities.

It is since reported that another extent of 11 acres 38 guntas in the Binnimangala manavartekaval village, not shown in the sketch, is being used by the 20th Division for Drill and other Military purposes and the owners are not allowed to cultivate the area. If this land is also required for the Military use, an additional compensation of Rs.300/- in round figures will have to be paid to the owners.

8. The total amount thus payable including all the casurina trees will be as follows :-

1)	Casurina trees in S.No.4/1 of Binnamangala Manavartakaval village. ...	Rs.777-8-0	of which the payment of a sum of Rs.300/- is conditional vide para 5.
